

MERCURYGATE

Self-Service Value Calculator Results Summary

Estimating the Value of a Transportation Management System

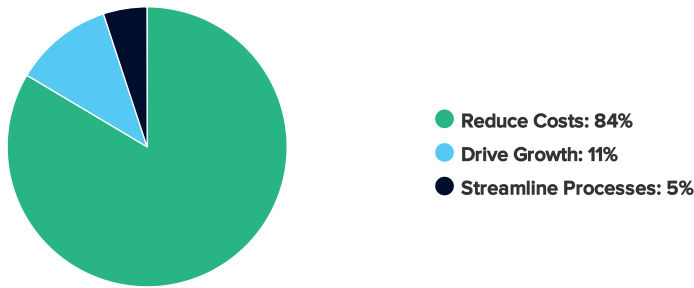

mercurygate.com

VALUE SUMMARY - MERCURYGATE OPTIMIZATION

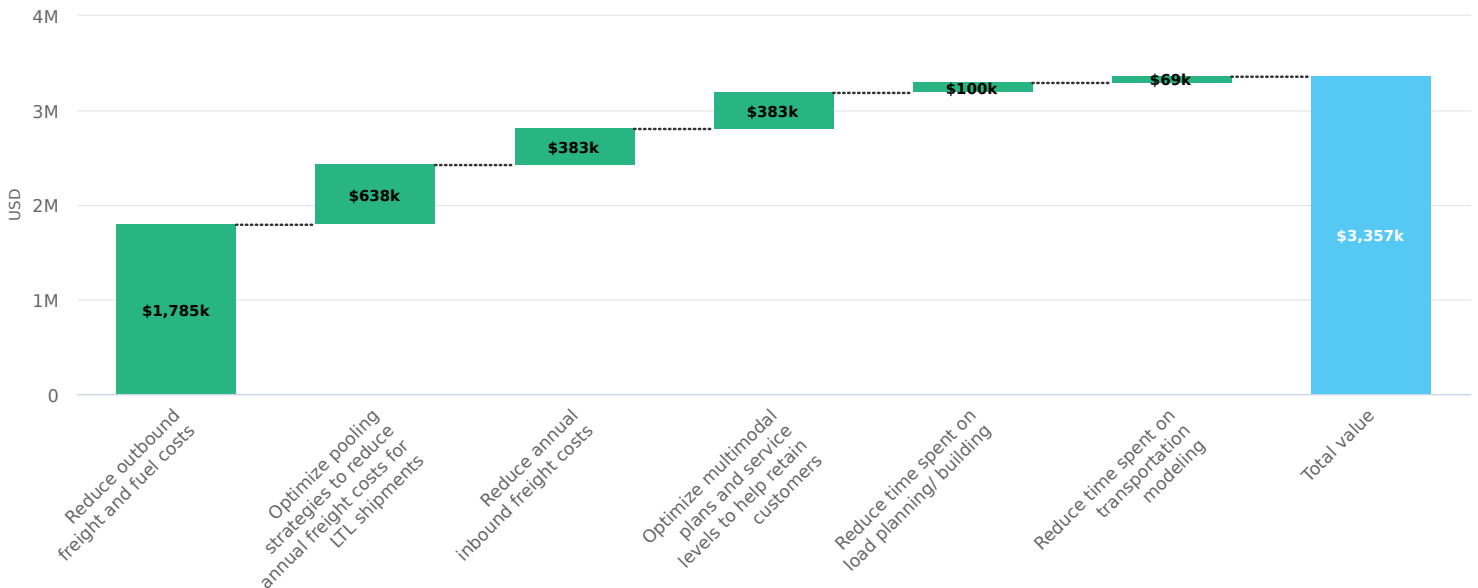

Overall 3-year value created:

\$3,357,023

How Optimization Can Help You

Customer Validated Business Benefits

The Return-on-Investment (ROI) and other financial calculations performed by this tool are based on data provided by MercuryGate customers, and various assumptions, and produce estimates only. The actual ROI realized by customers may vary from the estimates provided. MercuryGate offers this tool to assist customers with evaluating transportation management solutions; however, MercuryGate and Hobson & Company (the firm that created the tool) are not responsible for the accuracy of any estimates.
